

2.1 Scope of Work and Objectives This section is used to explain the Scope of work, or service to be provided. The objects of the work include the following:

We are currently conducting an RFP for supplying designer specified restaurant and employee dining furniture items for the casino. I have attached a list of the FF&E. Please note that the items listed are per the Architect, but alternatives may be considered should they meet the quality and design intent, including the colors of finishes. The Install time frame for the project is to start in close proximately of the 17th of March 2026. Please note quantities are projected and may change upon final review.

2.2 Specific Tasks The Vendor shall identify, review, evaluate and report upon the following:

In your bid, please include specifications and/ or drawings of your product. Please explain all material used along with any warranty information. Please also include lead time and delivery method.
